I will share with the BID Board and hospital contacts.

Should I also ask Sharyn to have her crews distribute to the businesses? Or is that overkill with the efforts of the contractor?

Is there an official notice of the groundbreaking coming from CD13? Or should I do draft a press release?

What address/site are we using for the ground breaking?

I will see if Marlene is available to take pictures.

Nicole

Subject: Vermont Ave - Public Notice

Hello Aram & Jeff,

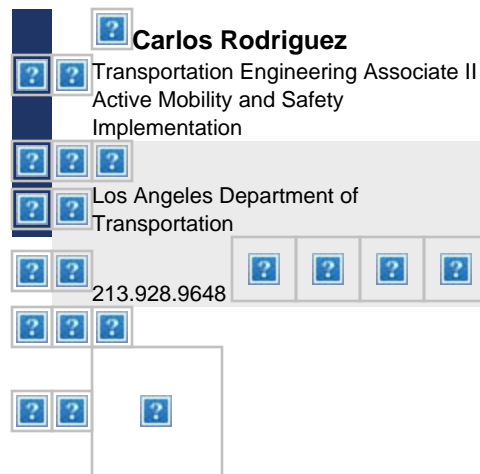

Just wanted to confirm with you gentlemen that we are working closely with the contractor and we are on schedule to commence construction this weekend. We have coordinated all details with the contractor for us to have our Groundbreaking Ceremony on Monday, 10-14-16 at 9 am at the De Longpre & Vermont proposed median island.

In addition, I have attached a copy of the public notice that the contractor will be using to notify the local community of the upcoming constructions project. I wanted you to also have a copy for your use. I also remember that our last meeting with the hospitals that requested to copy of the notice. I would appreciate your help to provide them with a copy.

Once again thank you for all your help and assistance in making this project a reality. If you have any questions or concerns, please do not hesitate to call me.

Thanks,

--
